VOLUME 2008, ISSUE 1

FEBRUARY 2008

Hello all my stitchin' friends, First of all I want to thank you for all of your prayers, cards and phone calls during my absence. The surgery went very well, and each day is better. They were able to reduce the curve in my back by about 20 degrees, and the pain that I had before is now gone! I now have 22 screws and 2 long rods in my back, so the healing process is slow, but going well. I have been trying to get to the store at least 3-4 days during the week, for 4-5 hours at a time, and have seen some of you! It is good to be back!

Paula and the girls have done (and continue to do) a wonderful job! They have planned a lot of fun classes for you this quarter....sign up soon, some samples have already been hung up and classes are already filling up! I want to remind you to check our web site often, as we run internet specials, and add classes, too! Bookmark us as one of your favorites:

Blessings on you all, and happy sewing, Jana
