Stewart's News

Hello Stitchin' Friends! Wow, I can't believe that summer is almost over! We have kept very busy here at the store, making samples, Shop Hop, and getting ready for a new season of sewing and quilting.

We do have some new things in store for you! First of all, in January, we will be starting a new club, "Moda University". We are sew excited about this club. We get to use beautiful Moda fabrics, and each month will be a different project. Watch for more details on the web.

Babylock has introduced a new top-of-the-line embroidery machine,

"Ellisimo." Paula and I have just returned from training, and we can't wait until this machine comes in! So many new features. We will be having a special "Unveiling" with this machine in October. Again, watch our web site for dates and times!

Of course, Fall brings our once a year "PJ Sale" in November. This great sale will be November 29th, 2008. This sale proves to be a lot of fun and you get to save, save, save!

So many of you ask about my back since my surgery. Thank you. All is going well. I go to St. Louis for a check up in September. The pain I had

before is gone! Hopefully I will be able to add some activities at that time.

Read on for more class information... sign up soon as classes will fill up early!

Happy Stitching, and blessings on each of you!

Quilting & Piecing Classes—September & October

Jelly Roll Fun

Saturday, September 13, 10:00 am–3:30 pm, Instructor: Patsy Behl

These neat little fabric bundles are all the rage! They are everywhere! We'll be making a quilt using the Field of Flowers pattern. It's a simple rail fence block, set on point, which gives it that awesome eye candy effect! Great class for beginners, as well as seasoned quilters. **Class Fee \$35.00**, Kit Available

Lace Cathedral Window Doll Dress & Bib

This 18" doll dress and bib are simply gorgeous. The bib has peek-a-boo lace and the dress has lace shaping along the hidden hem. This is a must have for any dolly's wardrobe. Heirloom techniques will be used with this dress. Prior heirloom experience is not needed. **Class Fee \$35.00**, Kit Available

Reversible Quilt

Saturday, September 27, 10:00 am–3:30 pm AND Saturday, November 1, 10:00 am–3:30 pm

Instructor: Marianne Snowden

Make two quilts at once! Easy piecing and a lot of fun. While working on these 8 inch blocks, you will be quilting the block at the same time as piecing. This technique can also be used on other quilts. When you are done with the blocks and put them together in a variety of settings, you will be done with the quilt—no need to send it out to be quilted. A walking foot is preferred for this technique. Quilt size is 64" x 80" but it can be made larger by making more blocks. Great, durable quilt for a college bound child. Cutting will be done prior to the class. All levels welcome (must know how to rotary cut). **Class Fee \$55.00**, Kit Available

My Old Stocking

Tuesday, September 30, 5:30–8:00 pm AND Saturday, October 18, 10:00 am–2:00 pm, Instructor: Becky Smith

Come to class and make a unique Christmas stocking. This class will be in two sessions. In the first session, you will piece and quilt your material. Then, before the next class, you will wash your quilt piece to give it an antique look. In the second session, you will cut and assemble your stocking. You will decorate your vintage nine-patch Christmas stocking with an antique doily or piece of lace, ribbon, and buttons. Your stocking will be the first Christmas decoration put up and the last one taken down. **Class Fee \$35.00**, Kit Available
